

Loss of or Damage to Guests'/ Users Property

We respectfully remind you that any items brought into the institute, its car parks or grounds including valuables and audio visual equipment, are brought in at your own risk. The institute shall not be held responsible for the damage or loss of any property owned by the guest or anyone connected to the guest's event/stay at the institute, whether the items were left before, during or following the function.

Through the use of CCTV and appropriate security measures the institute seeks to minimise the opportunity for the theft of or loss of guests property. In the unlikely event that an incident occurs during your stay, resulting in the theft, loss or damage of your property, we will carry out an internal investigation. If we do not feel that your property was stolen, lost or damaged through any fault of ours, our staff or agents, this will be evidence that it wasn't our fault.

If an incident is referred to the Police and they draw the same conclusion as us, this will also be evidence that our liability is limited. We shall not be liable, in any circumstances, for any loss or damage to vehicles you bring to the institute or any property left in them.
