Dear Parent / Guardian,

Assalamu 'alaikum wa rahmatullahi wa barakatuh,

Ref: Supplementary Tajweed and Recitation Programme 2019-20

We pray this reaches you in the best of health and Imaan.

At Darul Arqam Educational Trust we take every opportunity to continually improve the level of our education and services. This year, as part of our drive to **improve the level of Tajweed** and recitation of the Quran, we are implementing a tried and tested system that has been taken from best working practices of Islamic institutes from around the world.

We endeavour to send out short excerpts of the Qur'an recited by the Master Qari' Shaykh Anas al-Hibri InshaAllah; and we kindly ask that you **go through these weekly excerpts multiple times with your children** during the week in order to help them emulate the recitation. We have chosen Shaykh Anas al-Hibri because he clearly *demonstrates* with his mouth gestures the points of articulation (*makharij*) of the letters.

To re-iterate, this is a **tried and tested method of improving Tajweed** and recitation. Therefore we strongly encourage you to take the time to go through the clips we send inshaAllah. The clips will be sent out weekly on Friday during term time, and various teachers will test the recitation the following Friday.

InshaAllah we hope that you will assist us in this endeavour to help supplement your children's progress in reading the beautiful words of our Creator as they were intended and revealed.

We appreciate your on-going support and duas. JazakAllah Khair

Wasalam alaikum
